Respectfully,

FRANK J. IVES,

Major and Surgeon, United States Volunteers.

Dr. G. M. GUITÉRAS,

*United States Marine-Hospital Service, Matanzas.**Yellow fever at Santa Clara.*

MATANZAS, CUBA, June 28, 1900.

SIR: I have the honor to transmit herewith copy of telegram received from Chief Surg. Frank J. Ives, relative to yellow fever at Santa Clara:

SANTA CLARA, June 22, 1900.

All suspects taken in yesterday developed yellow fever. Two suspects taken in last night. One man died last night. That leaves at present 10 under treatment for yellow fever, and 2 suspects, 1 of which is very doubtful.

IVES,
*Chief Surgeon.*Dr. G. M. GUITÉRAS, *Matanzas.*

Respectfully,

G. M. GUITÉRAS,
Passed Assistant Surgeon, U. S. M. H. S.

The SURGEON-GENERAL,

*U. S. Marine-Hospital Service.**Reports from Nuevitas, Gibara, Puerto Padre, and Baracoa.*

NUEVITAS, CUBA, June 18, 1900.

SIR: I have the honor to submit the following report for the week ended June 16, 1900:

Six vessels arrived at this port and 5 bills of health were issued. There were no deaths reported and the sanitary condition is being improved under the supervision of the military authorities.

Gibara.—Reports show the arrival of 5 vessels, 5 bills of health issued, 5 deaths, and no quarantinable disease.

Puerto Padre.—Reports show the arrival of 2 vessels, 3 bills of health issued, 1 death, and sanitary condition good.

Baracoa.—Reports show the arrival of 5 vessels, 7 bills of health issued, 3 deaths, and sanitary condition good.

Respectfully,

OWEN W. STONE,
Acting Assistant Surgeon, U. S. M. H. S.

The SURGEON-GENERAL,

U. S. Marine-Hospital Service.
